ROCKINGHAM COUNTY DELEGATION

January 25, 1960 - 7:30 P.M.

Probate Court House

Exeter, New Hampshire

Public Hearing — Rockingham County Budget

In accordance with duly published notice, Public Hearing for the proposed county budget for 1960 was held as above noted.

Seven members of the executive committee were present. Mr. Winter Eastman, chairman of the executive committee presided during the hearing.

The major discussion revolved around the increased budget request for the County Home and Hospital. Supt. George Hilton explained that while it appears that the requested increase is \$100,000. the actual increase is \$39,000., as about \$70,000. in unanticipated revenue was turned back to the county treasurer in 1959. Discussion ensued regarding increased cost of all operating expenditures for the County Home and Hospital.

Supt. Hilton also stated that the Spaulding Trust Fund has provided an occupational therapist for a six month period. \$4,000. is now being requested to provide a full-time therapist to continue this program.

An increase of \$2,000. for the County Extension service was explained by Mr. Richard Kelley, East Kingston, as mostly to provide for increased salaries.

All other county department officials were present and each explained his budget request.

Mr. Violette, City Manager, Portsmouth, N. H., requested that a member of the Portsmouth delegation be appointed to the County executive committee to serve during the absence of Mrs. Mary Dondero who is unable to serve at the present time because of illness.

Being no further discussion the hearing closed at 10:15 P.M.

Executive Committee Meeting

In accordance with duly issued notice the executive committee met for consideration of the proposed county budget for 1960, as presented by the County Commissioners.

Mr. Winter Eastman, chairman of the executive committee presided. The roll was called. Present were: Mr. Eastman, Hunter, Carter, Sanborn, Blair and Mrs. Palmer. A quorum not present the chairman declared that no official business would be transacted until the afternoon session at such time Mr. Willis would be present thereby establishing a quorum.

County officials as requested were present to justify the itemized budget request for their respective offices.

COUNTY EXTENSION SERVICE:

Mr. Purington of the County Extension service introduced Mr. Richard Kelley, East Kingston, who explained that the main increase in this portion of the budget was for salary adjustment which is felt necessary to help bring the salaries more in line with those paid for like positions in other New England States. Also for a straight payment of .08 per mile for travel allowance rather than the present scale of .08: .07: .06.

REGISTER OF DEEDS:

Budget request same as 1959.

REGISTER OF PROBATE:

Budget request increase \$1,000. because of required change over to new type of forms used.

JUDGE OF PROBATE:

Requested increase \$500., because of increased Probate Court work and expenses involved.

SHERIFF'S DEPT.:

No increase requested.

COUNTY COMMISSIONERS — COURT HOUSES

Portsmouth:

Request increase of \$500.

Exeter Court House:

Requested increase \$500.

These increases mostly due to increase in length of court session and operating expenses.

County Records Bldg.:

Increase budget request \$200. Due to operating expenses.

SUPERIOR COURT:

Increase requested \$6,000., due to raise in per diem pay for jurors effective Jan. 1, 1960. Also increased number of court cases and expenses involved.

In regard to this item Mr. Douglass Hunter stated that he is of the opinion that a committee should be appointed from the delegation to study the ways and means of our county courts operations, for the purpose of a better understanding of its expenditures. Also with the thought that possibly some types of legislation could be brought about that would result in saving to the counties.

COUNTY HOME AND HOSPITAL: FARM:

Increase requested

\$58,000. Nurses salaries

4,000. Occupational therapy (new)

7,720. Replacement of worn farm equipment.

All other increase requests due to increase cost of operating expenditures.

ALL OTHER:

Each other budget item was given due consideration.

At the afternoon session a quorum being present the County Commissioners presented a formal request for authorization to the County Treasurer to borrow in the name of Rockingham County the sum of \$550,000. for

county expenses 1960. The request was granted by unanimous vote.

County Commissioner Bartlett presented a resolution signed by the County Commissioners recommending an appropriation of \$1,000. for a survey for a new county court building to meet with the bar association and representatives of the Superior Court, and report to the executive committee of the delegation not later than July 1960. Mr. Bartlett presented a second resolution requesting the delegation chairman to appoint a committee to work with the commissioners to study the location and possibility of acquiring land and also to work with an architect. This resolution calls for an \$500. appropriation. The committee would report to the executive committee in July, 1960.

Mr. Bartlett stated that it would be unwise for the construction of a new building at this time. In 1963 the present outstanding bonded indebtedness will be reduced so that a building project could be better considered at that time.

The executive committee regrets the absence of Mrs. Mary Dondero who for many years has given so generously of her time, and served so ably as a member of the Rockingham County Delegation. At the present time Mrs. Dondero is Vice Chairman of the delegation and a member of the executive committee. We wish her good health and hope that she may be with us at another time to help in the delegation deliberations.

The committee adjourned at 5:40 pm until February 10, at 10 o'clock.

Douglass Hunter presided. Present were 46 representatives, 5 delegates.

The meeting was dedicated in memory to the departed delegation members; Representatives, Walter Tenney, Chester; Harry Foote, Portsmouth; Harold Jones, Fremont.

Appearing in favor of the erection of a new building were:

Estimated cost \$5,000. (This also being the recommendation of the executive committee.)

2. Construction of a 30x60 foot addition to the County Records Building. Estimated cost \$42,000.

Being no further person to speak the committee of the whole was dissolved and the delegation went into executive session.

Representative Ralph Sanborn, Hampton Falls, moved that: The \$5,000. recommendation of the execu-

tive committee be increased to \$10,500. to include the \$5,000. recommended by the Commissioners for the purpose of alteration and fireproofing the County Records Building. The motion was duly seconded. So voted.

Mr. Mott, Newington, moved that: the delegation chairman appoint a committee of seven to work with the County Commissioners to secure an option on a suitable tract of land for future construction of a new county building. That \$1,500. be appropriated for the option. Motion duly seconded. Discussion ensued.

By roll call vote — 27 voting NO — 10 voting YES. The motion was defeated.

The Delegation proceeded to further consider the proposed budget.

Upon proper motion it was voted that: The convention raise and appropriate the sum of \$956,875.96, crediting against this the estimated revenue and surplus of \$392,148.26, and committing to county tax \$564,727.70. It was so voted.

COUNTY COMMISSIONERS' REPORT

Your County Commissioners, as required by Statute, hereby submit the reports of the Rockingham County Officials for the year ending December 31, 1960.

Rockingham County once again ended the year with a cash surplus, and with cooperation of all of our County Officials, we were able to keep within our 1960 appropriations.

The needs of our County continue to expand and while the County Home & Hospital has reached the maximum population without further expansion, we believe that deep consideration should now be given to existing Court buildings. The impression that people get from these "Halls of Justice" reflect on their attitude to obey our laws.

We have had a complete analysis of all our County buildings and will submit this report, with our recommendations to the County Delegation.

We will deeply miss our County Attorney Lindsey R. Brigham who was with us for many years and we wish him great success in private enterprise.

We welcome Lawrence W. Guptill, Jr. of Portsmouth, our new County Attorney.

We wish to thank all of the County Officers and all of the members of our vast organization both at the County Home and Hospital and throughout the County for their fine cooperation during the year 1960.

Clerk Superior Court

In the year 1945 there were 690 cases entered in the October and April terms and also on the January return day, the first Tuesday of January.

Since that time the Legislature has made the first Tuesday of each month a return day and added one additional Judge to the Superior Court. In 1954 an additional term of Court was made in Rockingham County so that terms are now held at Exeter the first Tuesday of September and run through the month of December; the first Tuesday of January Court is held at Portsmouth and runs through the month of March; Court again opens at Exeter on the first Tuesday of April and runs through the month of June.

In the year 1954 there were 811 cases entered. In the year 1960 there were 1,360 entries, which means that the business conducted by this office has more than doubled since 1945.

When Court is in session the presence of the Clerk is necessary at the building where the Court is held, be it Portsmouth or Exeter.

The main office of the Clerk of Superior Court is in the County Records Building where all of the Superior Court records are kept. There is no office in either Court House, although a room is shared as an office with the Court Stenographer. The room is open all the time, even when Court is not in session, as are both the buildings. As it is continually unlocked, it is used by anyone as a waiting room, in spite of some effort to keep it for the private use of the office personnel.

There are no provisions to have a girl from the Clerk's office in the Court House in Portsmouth. There are some provisions made in the Exeter Court House, but as previously stated, the room used as an office is not private since anyone can enter it any time, and even read private correspondence which may be on the desk.

This arrangement (the main office in one building and Court being held in two others) makes it necessary that the Clerk be out of the home office 10 months of the year, and any office work to be done must be done during off hours, either at night or on Saturday.

During the regular day when Court is in session there are frequent opportunities when dictation could be given but there are no proper facilities in the Court Houses, and the only thing that can be done is to make notes and attempt to dictate the following morning while endeavoring to organize the work for the day.

When Court is in Portsmouth it is, of course, necessary to commute daily, arriving at the Portsmouth Court House at about 9:45 A.M. This, of course, leaves very little time for office work in the morning at the home office. The time of return at night is, of course, dependent on the amount of work which has to be taken up with the Presiding Justice at the conclusion of the day. On returning to the office at night it is necessary to sort out the business done in the Court House so that it can be processed by the girls in the office on the following day.

It is strongly recommended that office quarters be made in the Exeter Court House for a permanent office so that the great increase of business can be efficiently handled.

Respectfully submitted,

ARTHUR J. CALL, JR.,
Clerk of Superior Court

SHERIFF'S REPORT

To The Honorable Board of
Commissioners of Rockingham County:
Gentlemen:

During the year of 1960 the number of breaking, entering and larceny cases, as well as vandalism and nuisance cases, reported to and investigated by the Sheriff's Department, has shown a decided increase. Of the total number approximately sixty-five per cent have been solved, ten per cent found to be baseless, and the remainder are still under investigation. Two homicides occurred within the jurisdiction of the department, one of which was quickly cleared by arrest, the other remains unsolved. The restitution of stolen property to the rightful owners amounted to a value of \$19,972.

Bound over prisoners who were previously boarded at the Hillsborough County Jail at a cost of \$1.75 per day, the rate since having been increased to \$3.00 per day, are now confined at Brentwood by utilizing the facilities at the House of Correction as a County Jail. Thereby providing a saving of approximately \$10,000 to the County in board and care and transportation.

The availability of the Department Cruiser for transportation of prisoners and emergencies has proved a valuable factor in the saving of time and money. The establishment of a records bureau at the Exeter office has provided assistance to investigating law enforcement officers.

At this time may I take the opportunity to thank all law enforcement agencies for their cooperation and assistance and especially do I wish to thank former County Attorney Lindsey R. Brigham for his valuable time and guidance throughout the past two years.

Respectfully submitted,

GEORGE SAMPSON, Sheriff

ROCKINGHAM COUNTY ATTORNEY'S REPORT

There were very few crimes of violence committed in Rockingham County during 1960. The most serious was the still unsolved Sandra Valade murder in either Manchester or Auburn. Investigation of that case still continues.

There was one other death case in which the Respondent entered a plea of guilty to first degree manslaughter, and is now committed to the New Hampshire State Prison.

The County has always been plagued with numerous cases of larceny from unoccupied dwellings. The police have had considerable success in solving the crimes and recovering much of the stolen property. There is little preventive action that can be taken as long as summer residences are left for the winter furnished and unoccupied.

Although the number of criminal cases continues to increase, it appears to be in proportion to the increase in population. Rockingham County is not yet densely enough populated to require full time, organized police forces in all of the small towns. The Sheriff's Department and State Police are able to supply officers to investigate crimes committed in such towns. The latter, however, should provide man power on a part time basis to protect unoccupied property.

This being my final report as Rockingham County Attorney, I wish to express my appreciation to all the law enforcement agencies for their help and cooperation during the last eight years. I doubt that the public appreciates the amount of extra, unpaid time, law enforcement officers at all levels spend in the investigation and prevention of crime. Without that help the County Attorney could accomplish nothing.

The Sheriff has been in office for only one full term. In that short space of time he has done an extraordinary job of organization and administration.

I would like to pay special tribute to Sgt. John J. Marchand, of the State Police, with whom I worked all of my years as County Attorney. There is no finer police officer.

Best wishes to my successor.

LINDSEY R. BRIGHAM,
County Attorney

It is a great satisfaction to see the tremendous interest which organizations, groups and individuals throughout the County have evidenced in their County Home. The many and varied contributions made, such as volunteer occupational therapy workers, parties, carolers, gifts, holiday tray decorations, birthday recognitions, and visiting groups have contributed immeasurably to the happiness of our patients.

We wish to express sincere appreciation to all local, County and State agencies who have cooperated with us in our work.

To the Board of County Commissioners, Mrs. Brown, Mr. Bartlett and Mr. Fuller may we extend our sincere gratitude for their guidance in administering the institution.

Respectfully submitted,

DOROTHY F. HILTON,
Matron

GEORGE W. HILTON,

CHAPLAIN'S REPORT

To the Honorable Board of
Commissioners of Rockingham County:

Here at the Rockingham County Home and Hospital, it has been my duty and my privilege to serve as Catholic Chaplain through the past year.

I know that many of the residents of this institution have received consolation and inner peace through the sacraments of penance and eucharist.

A visit to the patients, and distribution of small gifts to every one, sponsored by two groups of my parishioners have been most gratifying and edifying for me.

May I express my sincere gratitude to everyone on the staff of the Rockingham County Home and Hospital.

Respectfully submitted,

Reverend Armand Provost
